Financial Aid Info Sessions

Tues. February 15, 4:00-5:00pm

or

Tues. February 22, 12:30 - 1:30

Join us for an informational session about all things Financial Aid! We will be going over many frequently asked questions, such as: How to apply for aid, how eligibility is determined, understanding your award offer, and how to maintain eligibility. We would like to thank the Office of Student Financial Aid for being co-hosts for this workshop!

<tbody>
<tr>
<td><strong>Professor Office Hours</strong>&lt;br&gt;Attend office hours to ask questions, seek help, and to get to know your professors. Check your course syllabus for information or contact your professor.</td>
<td><strong>Financial Aid</strong>&lt;br&gt;Connect with Financial Aid for questions related to your award. Be sure to complete any To Do List items on your Student Center and submit your 2022-2023 FAFSA or CA Dream Act application by March 2.</td>
<td><strong>Health Promotions and Wellness (HPW)</strong>&lt;br&gt;Connect with HPW for health education opportunities in various areas such as nutrition, sexual health, mental health, and more. Food+Shelter+Success may be able to provide support related to food security, housing stability, economic crisis, and more.</td>
</tr>
<tr>
<td><strong>Tutoring and Academic Support Center (TASC)</strong>&lt;br&gt;Connect with TASC for free, online tutoring via appointment, drop-in, or group session. Work with tutors to strengthen your overall academic skills.</td>
<td><strong>Scholarship Search</strong>&lt;br&gt;Learn how to find and apply for scholarships to help pay for tuition.</td>
<td><strong>Counseling and Psychological Services (CAPS)</strong>&lt;br&gt;CAPS provides a safe, confidential space to explore concerns such as stress, depression, alcohol and drug use, and more. Connect for individual counseling or group workshops.</td>
</tr>
<tr>
<td><strong>Disability Programs and Resource Center (DPRC)</strong>&lt;br&gt;Connect with DPRC for support with accessibility, including learning accommodations (if eligible).</td>
<td><strong>Find a part-time job on Handshake</strong>&lt;br&gt;Search for campus jobs and internship opportunities using Handshake, an online search platform managed by Career Services &amp; Leadership Development.</td>
<td></td>

Need Help?

If you need advising assistance, [schedule an appointment](#) with your assigned academic counselor or meet with them during their designated [drop-in advising hours](#) at the UAC for more immediate concerns.
In addition to completing GE and major requirements, you must also complete university requirements which include earning the following:

- A minimum 2.0 SF State, Combined Cumulative (includes college-level work from other institutions), and major GPA
- At least 120 units

Fortunately, you have a personalized Degree Progress Report (DPR) you can access from your Student Center that shows your progress toward these graduation requirements. Refer to the following sections of your DPR to find your GPAs and units earned.

University Requirements:
SF State and Cumulative GPAs are located in the Minimum Grade Point Average subsection and at the top

120 Minimum Units Required for Degree:
Shows units taken (includes courses that are in progress) and units needed to reach 120 units

Major Requirements (if declared):
Major GPA is located at the beginning of this section

If you have questions about information in your DPR, or requirements remaining, check in with your academic counselor.

Q: WHAT IS MY CLASS LEVEL?
A: Your class level is based on total units earned and includes credit from other colleges and exams (i.e. AP/IB).
- Freshmen = Less than 30 units earned
- Sophomore = 30-59 units earned
- Junior = 60-89 units earned
- Senior = 90+ units earned

If your goal is to graduate in 4 years, plan to average 15 units per semester or 30 units per year (including summer).

Q: WHAT IS THE DEAN’S LIST?
A: This scholastic distinction is noted on your transcript when you earn a 3.25 term GPA or higher in at least 12 units of graded coursework at SF State. Strive for As and Bs each semester and if your cumulative GPA is 3.5 or higher in your last term, you are eligible for graduation honors!

Q: WHAT IS ACADEMIC PROBATION?
A: Students who earn less than a 2.0 SF State and/or Cumulative GPA at the end of a fall or spring semester are placed on academic probation and must improve their GPA to avoid disqualification. You can raise your GPA most effectively by earning Bs or better or repeating a course for grade forgiveness.

Q: HOW TO FIND GPAs, UNITS EARNED, & DEGREE REQUIREMENTS
A: Follow us on Instagram!
